Pecuniary interest in this context is defined in section 6 of the Local Authorities (Members' Interests) Act 1968. Please ask for a copy of this if you need it.

Yes

No

Not sure

25. If you are not sure it is better to disclose it. Please detail the nature of that interest and staff will get back to you:

Both my husband and I are part time / are casual employees of South Island Rowing Inc., so this could be a conflict, but if anything comes up in relation to this entity or the shareholdings we have with Mt Cook Alpine Salmon, then I always declare a conflict of interest just to be on the safe side.

Yes

No

Not sure

27. Do you have any non-pecuniary interests to disclose?

Non-pecuniary interests are interests that are not financial. They may cause you to be, or to appear to be, biased in your decision making as a member. They are interests that conflict or appear to conflict with your obligations as a member.

*They may arise in family relationships and friendships or in relation to organisations you are involved with. Having a non-financial interest won't automatically exclude you from taking part in related decisions. It will depend on the nature and how serious the resulting conflict is. **

Yes

No

28. Last question: Do you have any comments or notes for staff?

We have two rental properties - one is rented on a long-term basis, and the other is a short-term rental that we now have a property management company (i.e., Book Twizel) managing on our behalf. When there is discussion about visitor accommodation then a conflict could arise, but each situation would need to be examined on its merits (we feel that having one short-term and one long-term rental balances the scales on the housing situation in the Mackenzie).
